PROGRAM

625 students served annually in Daytime, After-School, Summer School, Arts Connect, and evening Team Production with programs in 3 schools.

8,400+ students served since the summer of 1994

A Landmark Year - 2013/2014

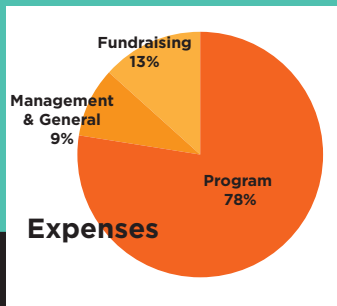

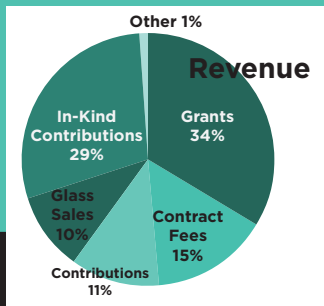

January 1, 2014 marked the beginning of Hilltop Artists 20th Anniversary Year! Our signature event is a retrospective exhibit hosted by the Museum of Glass, open until February 1, 2015. This unparalleled opportunity to honor - at a world class museum - our youth and the community that supports them is represented by 76 pieces of art work and calls out the creativity, collaboration and resilience of the organization, it's students and our supporters.

Hilltop Artists' community of supporters blew the top off our first crowdfunding effort!! We needed a major piece of equipment replaced before school started and launched a crowdfunding campaign on Indiegogo.

Donors exceeded the goal by 30%, to raise \$38,665; a funder match produced 65 new donors!!

Hilltop Artists was honored in 2013 by MultiCare Mary Bridge with their Service Organization Hero Award at the annual Building Bridges Luncheon.
